

## Happy 2012!

2011 comes to a close with many meaningful activities taken up by Sirpigals. I am pleased that our members continuously support all the various activities that have been organized throughout the year; be it cultural shows, reading club programmes or community work.

I would like to encourage all members to introduce like-minded friends or family to the society. Even though we are a youth society, we have also emphasized family bonding. It is also heartening to see inter-generational support for all our events. Hence, we also welcome seniors, working adults and youths to join us.

Kudos to the members who have put together shows at various Community Clubs for this festive season. I am proud to say that we can even handle 2 shows in a day. It shows our growth as well as our team spirit. I am happy to note that we were invited to speak to young minds on volunteerism at Jurong Junior College. It was a great opportunity for us to tell students who we are and what we do.

Sirpikal members had a different experience during the outdoor Tamil book discussion with local writer Ms Latha. For the first time, it was done during a bus journey to Marina Bay Sands. After alighting, the team took part in Tamil word games and won prizes too. Ms Latha was kind enough to give away her short story compilation as well.

In the spirit of community service, members hosted lunch for home residents at the Perumal Temple during Purattaasi. I am grateful for their time and effort.

Be a part of the exciting activities coming your way in 2012! I wish you the very best for the coming year.

Cheers,

M. Kunasekaran, PB, PBS
